Partner Program

Texas Laundry is a family owned premier laundry and dry cleaning company in the Texoma area. For the past 90 years, we've built a reputation of providing superior cleaning services to our customers and business accounts. When others hear the Texas Laundry name, they know it stands for quality service at a fair price.

We're looking to partner with quality companies that could benefit from offering our service to their customer base. Are you interested in getting additional revenue by offering our services?

Texas Laundry and Services offered:

Texas Laundry In Store Program:

Attention: owners of convenience stores, drug stores, video stores, tanning salons and anyone in a high traffic location who would like to offer cleaning services. A counter could be set up within your store to take in and pick up cleaning. The counter would be operated by a store employee and trained by Texas Laundry. We would pick up, clean and deliver clothing back to your location. You would make a percentage of the monthly billings, while offering a convenient service to your customers.

Contract Cleaning:

Why not outsource your cleaning needs to a company that is thoroughly focused on delivering excellent service? We are committed to pick up your linens, uniforms, towels or clothing and return them to you in an orderly fashion.

Please call 903.893.1337 with any questions that you have about the prospect of working in partnership with Texas Laundry & Dry Cleaners. Thank you!
